

## Henry Eller (1822-1906)

Henry Eller was the great grandson of immigrant George Michael Eller (George Michael – Leonard – Joseph – Henry).

He is shown in James Hook's 1957 book *"George Michael Eller and Descendants of his in America"* along with his wife and eight children (p.59). Hook's work goes no further other than to mention that "He [Henry] is said to have removed to Indian territory."

A Facebook inquiry to the EFA by Barbara Spradlin regarding Henry's daughter Hannah Ann Eller (sometimes called Polly) spurred us to look deeper. The "Henry-line" didn't go any further in our online George Michael database.

So, with the help of Mary Boodt's article *"The Eller Farmer Story"* in the February 1996 issue of the *Chronicles* and with Ancestry.com information from Jo Ann Wagner, Sandra Tracy, Jeremy Martin, Sandra Tracy, Kimberly Humphrey, J. Hooper, Brian Knack and others we've added more than a hundred new, well-documented names to our website.
